Technological Advancement Party. TAP is back after 5 years with a new staff and lease on life. The name Technological Assistance Program has been changed to better reflect our purpose which is to inform the people of any suppressed information that we feel they should know. Any and ALL information that fits the above description. Our main interest lies in the HI-TECH area of telephones but we are not limited to that. Other areas of interest are: computers, electronics, scams, rip-offs, security devices, and any other "Forbidden information." And as always, **ALL THE INFORMATION PUBLISHED IN TAP IS FOR INFORMATIONAL PURPOSES ONLY.** You can do whatever you like, but we will not be held responsible for something YOU did. TAP was first published in June, 1971. The original purpose was to help the movement for change against the world's largest monopoly, **THE BELL TELEPHONE COMPANY.** This was soon expanded to a fight against all corporations that were working **AGAINST** the people of the U.S. **OUR** purpose is to expose all the info we can get our hands on and let YOU be the judge of what to do with it.

BELL PAYS for Evil deeds

Cincinnati Bell will refund about \$600,000 to 132,000 customers (about \$4 bucks apiece) under a plan approved by the Public Service Commission. Since 1984 Bell had incorrectly added sales tax to access the interstate toll network.

LIGHT-HEARTED: Yippie Abbie Hoffman, making a spectacular entry Chicago's federal building in October, 1968, when he and others were for conspiracy to create a riot at the 1968 Democratic National Convention.
